

Passeri International
Concepted, designed, and manufactured in Italy
Artistic, functional, elegant, and modern

Artistic
The chandelier is a masterpiece of art, designed and manufactured in Italy. It features a central glass shade and several smaller shades, all of which are illuminated. The chandelier is decorated with numerous artificial flowers, including dark red roses, light blue roses, and white lilies, along with green leaves and yellow accents.

Functional
The chandelier is designed to be both functional and decorative. It features a central glass shade and several smaller shades, all of which are illuminated. The chandelier is decorated with numerous artificial flowers, including dark red roses, light blue roses, and white lilies, along with green leaves and yellow accents.

Elegant
The chandelier is a masterpiece of art, designed and manufactured in Italy. It features a central glass shade and several smaller shades, all of which are illuminated. The chandelier is decorated with numerous artificial flowers, including dark red roses, light blue roses, and white lilies, along with green leaves and yellow accents.

Modern
The chandelier is a masterpiece of art, designed and manufactured in Italy. It features a central glass shade and several smaller shades, all of which are illuminated. The chandelier is decorated with numerous artificial flowers, including dark red roses, light blue roses, and white lilies, along with green leaves and yellow accents.
